might be given from ladies and gentlemen in all grade of society, whose united testimony none could resist, that Prof. Wood's Hair Restorative will restore the bald and gray, and preserve the hair of the youth to old age, in all its youthful beauty. Battle Creek, Mich., Dec. 21st, 1858.

Thy friend, SUBANNAH KIRBY.

Ligonier, Noble County, Indiana, Feb. 5th, 1859.
Prov. O. J. Woon: Dear Sir.—In the latter part of the year 1852, while attending the fitate and National Law School of the State of New York, my hair, from a cause unknown to me, commenced falling oil very rapidly, so that in the short space of six months, the whole upper part of my scalp was almost entirely bereft of its covering, and much of the remaining portion upon the side and baca part of my head shortly after became gray, so that you will not be surprised when I tell you that upon my return to the State of Indiana, my more casual acquaintances were not so much at a loss to discover the cause of the change in my appearance, as my more intimate acquaintances were to recognize me at all.

I at once made application to the most skillful physiciana-in the country, but, receiving no assurance from them that my hair would again be restored, I was forced to become reconciled to my fate, until, fortunately, in the latter part of the year 1857, your Restorative was recommended to me by a druggist, as being the most reliable Hair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the desired effect. Since that time, I have used seven dollars worth of your Restorative, and as a result, have a rich coat of very soft black hair, which no money can buy.

As a mark of my gratitude for your labor and skill in

buy.

As a mark of my gratitude for your labor and skill in
the production of so wonderful an article, I have recommended its use to many of my friends and acquaintances, mended its use to many of my friends and acquaintuments, who, I am happy to inform you, are using it with like effect. Very respectfully, yours,
